**IRB of RECORD: Kaiser Permanente Washington
Human Subjects Review Committee**

Thank you for submitting the New Project materials for the above research study. An administrator in the Kaiser Permanente Washington Human Subjects Review Office has ACKNOWLEDGED your submission.

Per Kaiser Permanente Washington policies, the HSRC administrator has determined that Kaiser Permanente Washington will serve as the IRB of Record for the study named above pending our receipt of confirmation in writing from the IRBs listed below that they agree to cede review authority and continuing oversight to the Kaiser Permanente Washington IRB. This written confirmation may be provided via email.

- Kaiser Permanente Colorado (KPCO)
- Kaiser Permanente Northern California (KPNC)
- Kaiser Permanente Northwest (KPNW)
- Kaiser Permanente Southern California (KPSC)

Please let us know if the IRB administrator at the site relying on Kaiser Permanente Washington requires any additional documentation.

There are no additional requirements at this time. Continuing review will be done through the institution named above.

This report is documentation of an IRB administrator review. IRB administrator reviews only the issues related to the protection of human subjects in research. There may be approvals needed by other departments at Kaiser Permanente Washington.

If you have any questions, please contact the HSRC office at (206)-287-2919 or hsrcoffice@ghc.org. Please include your study title and reference number in all correspondence with this office.
