Re: An Evaluation of the National Zero Suicide Model Across Learning Healthcare Systems

Dear Dr. Beck:

On December 13, 2017, a designated member of the Kaiser Permanente of Colorado (KPCO) Institutional Review Board (IRB) conducted an expedited review and approved your request to cede IRB review and oversight responsibilities for this study to Kaiser Permanente Washington (KPWA) IRB.

An IRB Authorization Agreement between the KPCO IRB and KPWA IRB is not required because both sites operate under the same FWA.

Upon request, it is your responsibility to provide the KPCO IRB with a copy of any correspondence with the KPWA pertaining to this study.

It is required that you notify the KPCO IRB when this study closes by completing the Final Report form in iRIS.

Sincerely,

Melissa Goff
IRB Director
