On 12/21/2017 the Kaiser Permanente Northwest IRB approved the request to cede review authority and continuing oversight of the above study to the Kaiser Permanente Washington IRB under the interregional ceding arrangement.

Please use this notification of approval should the funding agency require documentation of IRB approval. Our Federalwide Assurance number is FWA 00002344 – IRB 00000405.

If your study or study-related documents require modification, you must seek IRB approval for these changes before they are implemented. If, during the course of your study, you need to make a modification in order to protect the rights, safety, or welfare of a participant prior to obtaining IRB approval, you are required to notify the IRB within five business (5) days of this action. In addition, you must promptly notify the IRB of any unanticipated problems associated with this study.

Federal regulations require that all studies be reviewed at least annually. It is your responsibility to ensure that you reapply for approval at least one month prior to the study approval expiration date.

Sincerely,

Kaiser Permanente Northwest IRB
